Under the Children's Privacy Protection Act ("COPPA"), we must provide you with direct notice before collecting "personal information" from your child. Effective July 1, 2013, the Federal Trade Commission updated COPPA to reflect changes in technology, and now considers a photograph, video, or audio file containing a child's image or voice to be a child's "personal information". For more information about COPPA, please visit www.coppa.org. By registering your child with Act One Theatre Camp, your child will have the opportunity to participate in creating video or audio projects that may contain your child's image or voice. Your child may also have his/her/their image in our program with his/her/their name.
