Under the Children's Privacy Protection Act ("COPPA"), we must provide you with direct notice before collecting "personal information" from your child. Effective July 1, 2013, the Federal Trade Commission updated COPPA to reflect changes in technology, and now considers a photograph, video, or audio file containing a child's image or voice to be a child's "personal information". For more information about COPPA, please visit [www.coppa.org](http://www.coppa.org). By signing this Release with Skewed Evans Productions, you are hereby informed that your child will be featured in still photography, video, and/or audio projects that may contain your child's image, voice, and/or name.
